

Making a map The Southern States

(Use the map on page 133 of your Social Studies book for assistance.)

_____ Label each of the 14 southern states and locate its capital.

_____ Locate and label these bodies of water:

Atlantic Ocean

Gulf of Mexico

Chesapeake Bay

Mississippi River

Arkansas River

Lake Okeechobee

Rio Grande River

_____ Locate and label these geographic features:

Great Smokey Mountains

Ozark Mountains

Everglades

Appalachian Mountains

_____ Color the states different colors so two states of the same color are not beside each other.

_____ Color the bodies of water that you labeled blue.

_____ Give a title to your map.

Make sure your work is neat and everything is spelled correctly.
Use colored pencils ONLY to color your map.

DUE DATE: _____
